

Need proof? You've got it.

A fast and reliable way to confirm that your payment has been successfully executed — whenever you need it.

Why use Proof of Payment?

Using Proof of Payment helps you:

- ✓ **Confirm payment execution**
Show evidence that a payment has been made.
- ✓ **Reassure your beneficiaries or suppliers**
Share official confirmation when counterparties need proof.
- ✓ **Increase transparency and control**
Access payment details, without contacting support.

What's included in the document?

Each Proof of Payment contains:

- ✓ **An official payment confirmation**
(MT103 or PACS.008, depending on the payment type)
- ✓ **Secure storage**
Available in InsideBusiness for up to 18 months

What is Proof of Payment?

Proof of Payment is an official confirmation document for completed payments made via InsideBusiness. It helps you quickly demonstrate that a payment has been processed by the bank.

Who can download it?

- ✓ Authorized users only, based on profile permissions
- ✓ Corporate Admins can manage and grant access to users

For which payments is it available?

- ✓ International transfers
- ✓ Euro Real Time Credit Transfer (SEPA)
