<sup>1</sup> Check <http://www.ingwb.com> for the amount of interest and how it is calculated, as well as the interest on the foreign currency and third-party accounts.

<sup>2</sup> For those PSP clients where an increase to the account maintenance fee is applicable due to Incremental Compliance Costs (ICC), please contact your WB TS Consultant for additional provisions in accordance with this fee.

<sup>3</sup> This fee is applicable for clients that have a low transaction volume or due to the company structure could be considered complex. This fee will replace the general Maintenance Fee € 50.00 per month per account, the Non-Resident Maintenance Fee € 100.00 per month per account, the Foreign currency account € 50.00 per month per account, the Non-resident Foreign Currency Accounts Fee of € 100.00 per month per account or the Third-Party Account Maintenance € 50.00 per month per account. Whether this 'Maintenance Fee for Low Volume/ High Complexity Clients' applies to you, will be set out in an additional Pricing Agreement between you and ING.

<sup>4</sup> This fee is applicable for the maintenance of an account in a country outside of your country of incorporation.

<sup>5</sup> For Non-resident Foreign Currency Accounts a Non-resident Account Maintenance Fee of € 100.00 per month will be charged

<sup>6</sup> If market circumstances require, the credit interest rate can be negative, as a result of which the Client will have to pay interest to the Bank over a credit balance.

Credit interest rates vary per currency and can be found via <https://www.ingwb.com/en/service/payments-and-collections/interest-rates-on-current-accounts>

As ING is exposed to extra costs in case there are extra balances placed at year-end, ING reserves the rights to charge a flat fee of 15bps over the extra balances (see above mentioned link)

<sup>18</sup> ING will perform a currency conversion in case the payment instruction requires this. The conversion costs are incorporated in the transaction amount. The Bank executes payment transactions where a currency conversion is required in the following way:

- Transactions up to EUR 100K: using independent market standard reference rates published by Refinitiv (formerly known as Thomson Reuters) every day at 07:00, 11:00, 14:00 and 17:00 hrs. CET. Payments are processed immediately applying the rates of the last previously published Refinitiv rate update plus a service spread.
- Transactions over EUR 100K: using a "real time ING rate", established using a base rate determined on the principle of best execution including a service spread. ING guarantees the best execution principle by applying the best FX rate offered by any of 11 FX market liquidity providers (6 leading banks, 3 Electronic Communication Networks and 2 interbank brokers). The resulting base rate is updated every 2 seconds in our FX platform.
