do your thing

ING Bank N.V. Hungary Branch has been providing financial services to large companies in Hungary since 1991. ING is a global bank with a strong European base. Our more than 60,000 employees serve around 37 million customers, corporate clients and financial institutions in over 40 countries. Our purpose is to empower people to stay a step ahead in life and in business. ING is a market leader in sustainability and wants to play an active role in stopping climate change. We finance a lot of sustainable activities, but we still finance more that's not. See how we're progressing on ing.com/climate.

Key responsibilities:

- As the Product Manager and Business Owner, you are driven by our customers' success.
- You will lead our transaction services solutions (Payments, Cash and Liquidity, Trade, Digital Channels), with innovation as your fuel.
- You will design, develop, and operate solutions that meet our customers' needs, utilizing our Growing the Difference strategy.
- You will take ownership of both financial and non-financial risk management, ensuring risk and control compliance, while monitoring market trends and cost-efficiency.
- By collaborating closely and internationally with global teams, stakeholders, and external partners, you will set the tone for the product line and integrate it seamlessly into the value chain and customer journey.
- Effective communication is key; you will deliver on all levels internally and represent ING at industry forums and conferences.
- With a forward-looking approach, you will play a crucial role in setting priorities within your country to keep us and our customers ahead.

Required skills and experience:

- Master's degree in Finance, Economics, or a related field.
- Experience or strong affinity with Transaction Services: Payments, Channels, Cash & Liquidity, Trade Finance.
- Proven track record in product, marketing, and/or program, project management.
- Meaningful (minimum 3-5 years) TS Wholesale Banking experience at a top-rated international bank, local market knowledge (regulations, market practices, local products, etc.)
- Strong organizational skills with the ability to see both the big picture and the details, locally and globally.
- Flexible team player with exceptional team management skills.
- Fluent in English, both spoken and written.

What we offer:

- Multinational environment, international corporation and a diversity of cultures
- Modern, pleasant work atmosphere
- We treat each others as partners, age makes no difference for us
- We provide personal and professional development opportunities
- We offer competitive compensation, various benefits, with a focus on wellbeing

How to apply: To apply please send your English CV, your files will be handled confidentially.
