¹ Code "INTC" must be used for intracompany flows to exclude these from the account turnover fee.

² The 'Maintenance Fee for Low Volume/ High Complexity Clients' concerns clients which are considered by ING as either having low transaction volumes or as being a "high complexity client" (e.g. due to their company structure or other). The application of the 'Maintenance Fee for Low Volume/ High Complexity Clients' will be agreed to in a separate Pricing Agreement between each relevant client and ING and shall replace the standard maintenance fee or the non-resident maintenance fee (as the case may be) previously applicable to each such client.

³ Interest rates for other currencies and other conditions are available via <https://www.ingwb.com/en/service/payments-and-collections/interest-rates-on-current-accounts>. Please also refer to Conditions (page 7).

⁴ If, for any reason, any of the client's accounts shows a negative (debit) balance or, in the event of an overdraft arrangement between ING and the client, the debit balance of the relevant account exceeds the permitted limit approved for the client, debit interest shall accrue on the amount of such debit balance or of such excess, as the case may be.

⁵ As ING is exposed to extra costs in case there are extra balances placed at year-end, ING reserves the rights to charge a flat fee of 15 basis points over the extra balances (see <https://www.ingwb.com/en/service/payments-and-collections/interest-rates-on-current-accounts>.)

Conditions

Interest conditions

Unless otherwise agreed, interest conditions are those indicated in this brochure and on <https://www.ingwb.com/en/service/payments-and-collections/interest-rates-on-current-accounts> with the following conditions being specific to France:

- The overnight rates (€STR, SOFR, SONIA, TONAR, or SONAR) applied on the end-of-day balance for any day are those published for that day.
- The 1-month EURIBOR rate, which will be used in the end-of-day balance each day will be the rate as published two TARGET days before such date.
- interest payable is calculated quarterly in arrears on the last day of each calendar quarter (such day excluded and the last day of the preceding calendar quarter included).

Currencies

Payment Instructions can be executed in any major currency.

Exchange rates

The Bank executes payment transactions where a currency conversion is required by using the Euro foreign exchange reference rates published by Refinitiv (formerly known as Thomson Reuters) on the day of execution. For actual exchange rates you may contact the Bank. A margin between 1% and 1.94% depending on the currency is added for amounts < €100,000. The exchange rate may be negotiated on the exchange market for amounts > or = to €100,000. Buying and selling of foreign currencies (spot/forward): not subject to tax.

Revocation/Block/Cancellation of an instruction

Wherever possible, revocation/block/cancellation requests should be sent by fax to +33 (0) 1 57.22.62.08 or by email in PDF format to cs.fr@ing.com and all the information initially provided for the execution of the instructions involved should also be provided.
